Subject: Payments of rent for the hind wing of the New Municipal Offices, Occupied by the B D T Engineering College, Davangere

---

I write to state that the Principal of Engineering College, Davangere has stated in his letter No 828/53-54 dated 21-7-53 that the question of payment of any rent to the portion of the Municipal Office building occupied by the Engineering College does not arise in view of the fact that the Secretary to Government, Education Department, has stated in his letter No E 5818 dated 8-7-53 (copy enclosed) that the Circumstances mentioned therein the proposal to pay any rent to the building is not acceptable

The Government are already aware of the acute financial stringency experienced by this Municipality which has rendered it almost impossible to loose any part of its revenue, however small it may be Further the Municipality is making a heavy ~~amount~~ contribution of Rs 12,000/- to the Municipal High School to enable the latter to pay a heavy rent of Rs 240/- per month The Municipality ~~used~~ would have saved the rent if the Municipal High School could have been housed in the Municipal wing now occupied by the Government Engineering College

The Municipal Council having considered this aspect again in their meeting held on 7-8-53 resolved as per extract enclosed, that in the circumstances the Government be requested to order payment of rent of Rs 350/- P M to the Municipality for the portion of the Municipal Offices occupied by the B D T Engineering College since the occupation

p t o

I request that orders of Government may kindly be obtained in the matter and the same communicated early.

Yours faithfully,

K Narasimhaienger,
